Bankruptcy Judicial Liaison Committee

The Bankruptcy Judicial Liaison Committee is a group dedicated to fostering communication between the different “constituencies” of the local bankruptcy practice. Quarterly meetings of the committee provide a forum in which to address problems and exchange information between the judiciary, clerk of courts, U.S. Trustee, chapter 7 and 13 trustees, creditor attorneys, commercial debtor attorneys, and consumer debtor attorneys. Anyone may suggest a topic for discussion. Please send topic ideas to Laura Nesbitt, the committee chair, or any other committee member.
